

CHOC FAMILY

EFFICIENT AND DECENT

LTS

SQUARE PRACTICAL

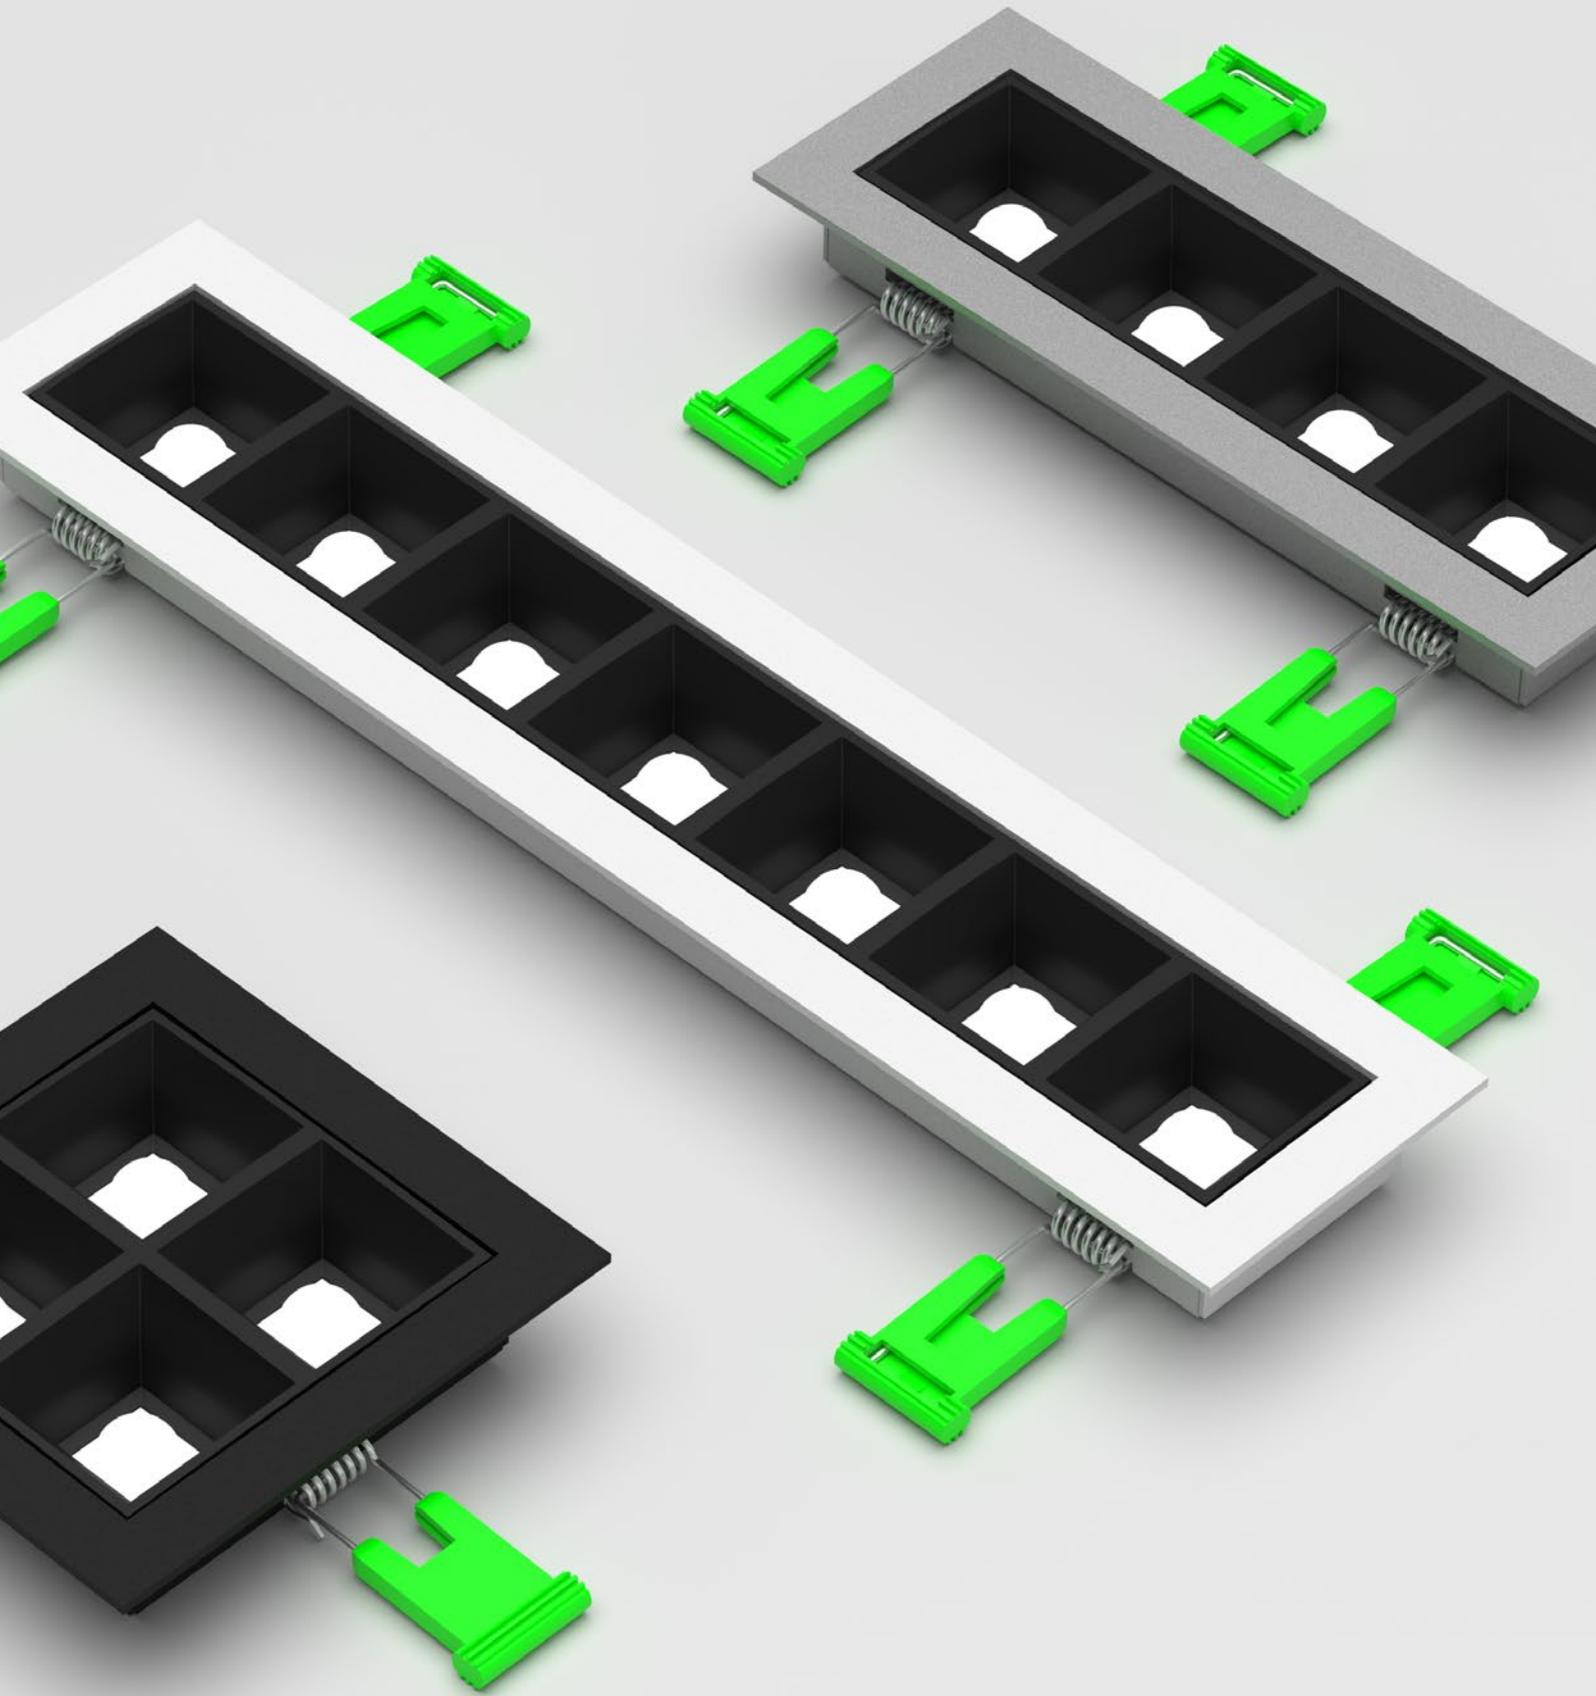

COMPACT SIZE COMBINED WITH BRIGHT OUTPUT

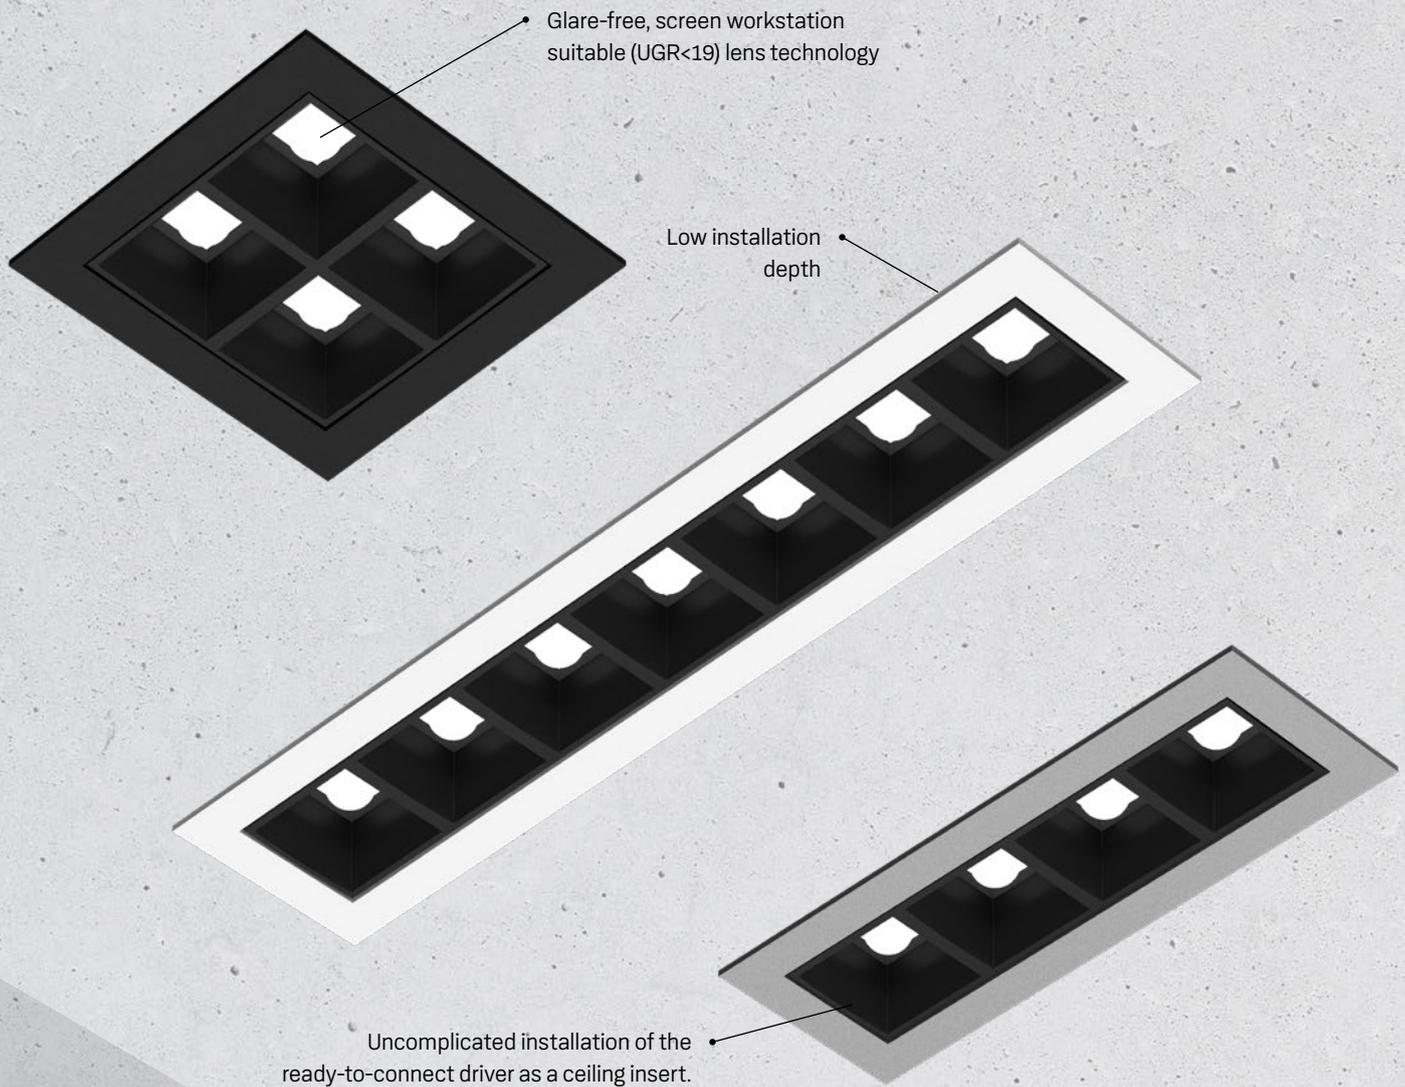

In the Choc series, LTS combines effective lens optics with a compact size and easy installation. A little all-rounder in terms of efficiency and appearance.

The lean design language with the matt black glare control component that is set back into the housing provides for subtle and efficient lighting. The innovative lens optics impresses with a uniform and glare-free illumination ($UGR < 19$) and is therefore perfectly suited for general lighting in the hotel industry and office spaces. The individual squares boast a uniform and continuous light output over their entire service life.

With the entire Choc family of recessed and pendant versions, as well as the Lichtkanal 045 insert, LTS has assigned a wider and more flexible scope of applications to the luminaire, which impresses both as an individual luminaire and as an integrated luminaire system. Choc offers a visually appealing overall look for general lighting applications.

UNOBSTRUSIVE APPEARANCE AND BALANCED EFFICIENCY

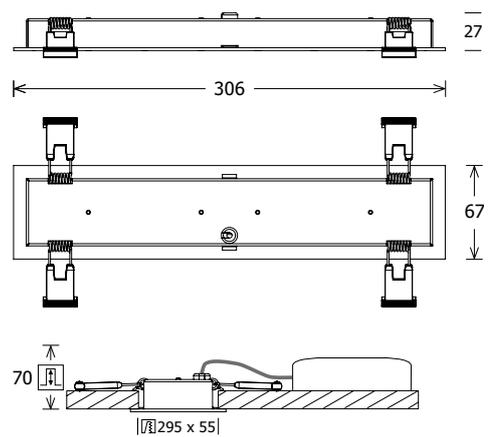

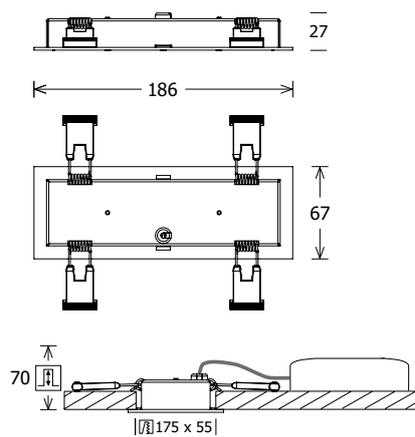

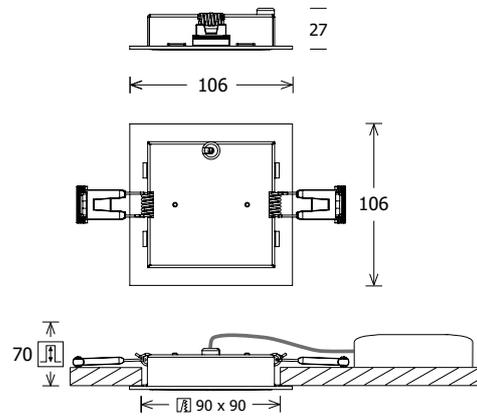

CHOC RECESSED VARIANTS

A bright and efficient luminaire on very small scale and with a low installation depth. For optimum moderate and even general lighting. The high-quality, lasered and powder-coated steel housing, together with the matt black glare control component, it completes the visually appealing look. The driver is delivered ready for connection and is easy to mount as a ceiling installation. The luminaire can be just as easily inserted into the ceiling using quick-release springs.

	RECESSED 2x2	RECESSED 1x4	RECESSED 1x7
SYSTEM POWER	9 W	9 W	9 W
LUMINOUS FLUX AT 4000 K	840	880	1470
EFFICIENCY AT 4000 K	96.55 lm	101.14 lm	108.08 lm
DALI	Standard	Standard	Standard
CRI	80	80	80
COLOUR TEMPERATURE	3000 K, 4000 K	3000 K, 4000 K	3000 K, 4000 K

CHOC PENDANT

Pendant complete
luminaire, available in
two different lengths

SQUARE AND PRACTICAL THROUGHOUT

CHOC PENDANT

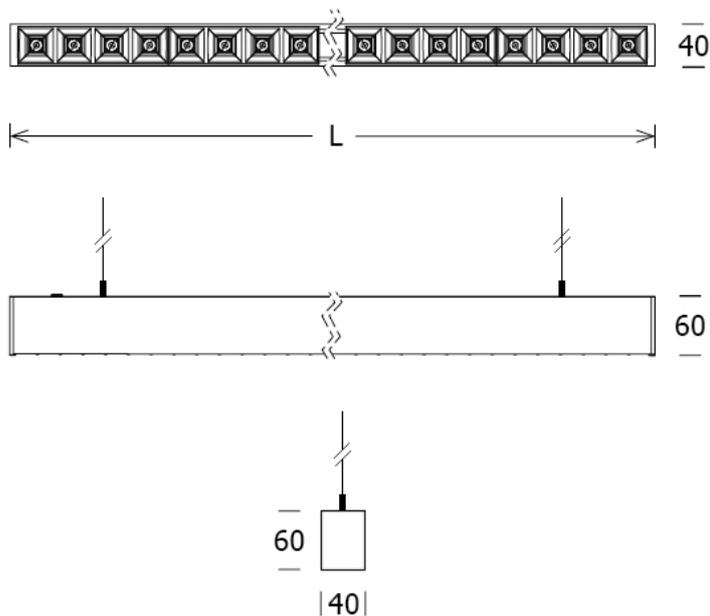

By adding a pendant variant to the Choc series, LTS has provided this luminaire with a wider, more flexible and comprehensive scope of applications. Choc Pendant now impresses both as an individual luminaire and in combination with the Choc recess variant. As a suspended monoline available in lengths of 1138 mm and 1618 mm, Choc Pendant is a perfect fit for workstations.

CHOC PENDANT

TOTAL LENGTH	1138 mm	1618 mm
SYSTEM POWER	45,4 W	66,6 W
