AT HOME IN RETAIL

ONE SERIES.
MANY POSSIBILITIES.

The new ORYO luminaire series from LTS is completely redefining light in the retail sector. Thanks to the different recessed, pendant or track-mounted luminaire variants, very different areas can be designed with a single luminaire range. Every ORYO variant reflects the coherent design language in an elegant conical shape. The small yet efficient spotlight impresses with its high power level and good light pattern at a minimal size. It brings a new focus with its tapered shape and perfectly places the products in the limelight.
